Mr. Collins clarified that the appointment term, per the Charter, is set until the next election. Mr. Collins stated he spoke with City Attorney Alex Andrade and it was determined that the next election will be the next Municipal General Election in November 2024. City Council will vote to appoint someone to fill Mr. Vance's vacant seat until the election of 2024 (a one-year term). The ballot in the election next year would have: 4 City Council terms for 4 years each, and then Mr. Vance's seat would be up for a 2-year term in 2024. In 2026, it will pick back up to a 4-year seat. The seat became vacant effectively November 1, 2023. The Council has 60 days to fill the seat. The next Council meeting is December 12, 2023. Mr. Collins recommended making an appointment at that meeting. Council agreed to make the deadline for applications to be received for November 29, 2023 at 4:30PM. The applications would then have time to be placed on the agenda for the Executive Committee Meeting on December 4, 2023. Additionally, this gives staff time reach out to the applicants to inform them of the meeting date.

Outside Agency Funding Application

Outside Applicant funding by the City of Milton is intended to provide resources from the City to assist neighborhood, community, social and not-for-profit organizations in carrying out community activities. Resources are allocated to specific events/activities/projects/programs only. General operational funds and/or administrative costs not associated with the project/program are not eligible. All funded activities must take place within the city limits of the City of Milton and be must free and open to the public to attend. Explanation for events outside the city limits and/or not free and open to the public must be provided and may be approved on a case-by-case basis.

Resources provided by the City may include, but are not limited to the following: direct financial support, use of City property, use of City equipment, use of City staff or any combination thereof. The specific resources requested must be identified in this application. The Applicant is advised that the approval or disapproval of each application is at the sole discretion of the City of Milton and the information requested is used as a basis to evaluate the Applicant's project. Submission of an application does not create entitlement to funding or any other City resource. Funding in one year does not create an entitlement to funding in future years. The application shall be reviewed by the City for completeness and eligibility prior to any approvals. The City's discretion is absolute, and the City may, for example, waive any technical irregularity, award in-mass, partial fund, split fund, or reject any and all submittals. Additional post-award requirements above and beyond what is required in this application may be added by City Council at its sole discretion. For the purposes of this application, "funding", "resources" "support" or "award" means cash, goods and services or both and may be used interchangeably.

 - Private Foundations
- ☐ All awards are based on availability of funds. Awards may be provided until all funds are exhausted. If funds remain after the initial cycle, additional cycles later in the year may occur at the City's discretion. Based on available funds, some applications may be approved, while others may be only partially funded or receive no funding.

- ❑ The Applicant hereby agrees to allow the City of Milton to capture, own and use at their sole discretion, images, videos, recordings, and the like of the event/activity/program/project. The City shall use the Applicant's Logo, or other identifier approved by the Applicant in coordination with any City advertising for the event/project.
- ❑ The Applicant hereby agrees to use the City's, or any approved City Department's Logo in any/all advertising, marketing and promotion for the event/program to the same extent as the largest single sponsor, unless otherwise agreed upon in advance. If no sponsors are utilized, the City shall be recognized as the event/program sponsor. The Applicant shall consult with City Staff on any/all advertising, marketing and promotion prior to public release.
- ❑ The City is not responsible for any event/project organization or management. The organization submitting this application is totally responsible for any/all means and methods in carrying out the event/project.
- ❑ The Applicant shall, at all times while on City of Milton Property, conduct themselves in a professional, responsible manner and observe all rules and regulations set forth by the City of Milton. Funded events/programs shall be wholesome and adhere to the standards of good taste, as assessed by the City Council in reviewing all representations of the applicant about the conduct of the event. Material departure from the standards represented to and approved by Council may result in default.
- ❑ All vendors'/merchandise sold at an event must be of good taste, consistent with the values of Milton, Florida, as assessed by the City Council in reviewing all representations of the applicant about the conduct, services or merchandise to be sold. Material departure from the standards represented to and approved by Council may result in default.
- ❑ Funded events/programs shall not directly compete with City Brick and Mortar Businesses through use of outdoor, mobile vendors that provide the same goods/services as the primary good/service of the Brick and Mortar Business. An outdoor, mobile vendor must be a minimum distance of 250 feet or one city-block from a Brick and Mortar Business if providing the same primary good/service. An exception can be provided if a waiver is signed by the Brick and Mortar Business and provided to the City in advance of the event/program.
- ❑ Applicants must indemnify, save and hold harmless the City from and against any and all claims, demands, actions, debts, liabilities, and attorney's fees arising out of, claimed on account of, or in any manner predicated on loss of or damage to the property of, and injuries to or death of any and all persons whatsoever, in any manner alleged to be caused or contributed to by the Applicant, its agents, servants, volunteers or employees while carrying out the event/activity/program/project. From and on account of damages of any kind which they, or any of them, may suffer as a result of acts of the Applicant or any of the Applicant's agents, servants, volunteers or employees and from any workmen's compensation benefits which they, or any of them, become obligated to pay the Applicant, its agents, servants, volunteers or employees, and from any and all claims, demands, actions, debts, liabilities, and related costs which result from the event/activity/program/project carried out by the Applicant.
- ❑ Applicants must provide a Certificate of Insurance (COI), showing the City of Milton, FL as an additional insured, 10 days prior to the event/program date. Applicants may request to utilize the City's insurance for the event. However, such request must be approved by City Council.

- ❑ Applicants shall be and act as independent contractors, and under no circumstances shall any funding be construed as one of agency, legal partnership, or joint venture, or employment between the City and the Applicant. None of the personnel under contract to, employed by, or volunteering for the Applicant shall be deemed in any way to have any contractual relationship with the City whatsoever. The Applicant shall be solely responsible for the conduct of its employees, personnel, volunteers and agents in connection with their obligation hereunder.
- ❑ The City of Milton is not responsible for the safety, security or working condition of any equipment not owned by the City. Use, care and security of any and all City-owned equipment made available for use by the City, provided to and operated by the Applicant, shall be the sole responsibility of the Applicant. Please inspect all items carefully. Any City Equipment provided to the Applicant lost, damaged or destroyed shall be replaced/repared at the sole expense of the Applicant, unless such damage is sustained due to acts beyond the control of the Applicant as described below.
- ❑ Once the event/project has been completed, Applicant must submit a final report, including event attendance and a final financial expenditure report. If the event/project is ongoing, quarterly reports are required. Additional reporting requirements may be included by City Council at their sole discretion. Failure to submit required reports shall disqualify an organization from future requests.
- ❑ Applicants must demonstrate the financial capacity and ability to complete the event/project as described in this Application, including provision of a current balance reflecting sufficient available funds for completion of all portions of the project not funded by the City. The historical, organizational and financial information requested in this application demonstrate such capacity.
- ❑ This application contains the entire request from the Applicant. This application supersedes any and all prior agreements, arrangements, communications, or representations, whether oral or written. This application and associated event/activity may not be amended, altered, modified or changed except when approved in writing by the City.
- ❑ Applicants are encouraged, but not required, to meet with City Staff before submitting this application for a courtesy review. If funded, Applicants are required to meet with City Staff at Staff's request to review the event/program.
- ❑ If the event/project is postponed due to inclement weather, as acts of God, government restrictions, military operations and exercises, security alerts or unforeseen commercial delays or other similar conditions beyond the Applicant's control, it may be rescheduled for another time or cancelled altogether at the discretion of the City.

REQUIRED DOCUMENTATION
(If Applicable)

Applicants requesting funding must complete this application and provide all other required documentation listed below (if applicable). Please note – if any item requested in this application is not applicable to an Applicant or the Applicant does not have any item, it does not automatically disqualify the Applicant from receiving funding. The items requested below are not intended to create any new demands for an Applicant. The information requested should reflect information that would be normally provided to a Board of Directors on a regular basis.

1. IRS letter with tax exemption ruling. Applicants should be qualified to receive tax-deductible contributions as defined by the IRS - generally a 501(c)(3) public charity tax status.
2. Current Board of Directors/Officers. If your organization is a local office, chapter, etc. of a larger entity (i.e. umbrella organization, governmental Applicant, etc.), please attach a list of Board of Directors/Officers of the next higher-level entity.
3. Copy of most recent independent audit, review and management letter, if applicable.
4. Articles of Incorporation and Bylaws.
5. Organization fiscal year budget and year to date financial statements for the current year, including a Statement of financial position (assets, liabilities and equity) and a Statement of activities (income and expenses), if available. Important note: If your Applicant is a local office, chapter, project, etc. of a larger entity (i.e. umbrella organization, governmental Applicant, etc.), please also include financials and budget of the next higher-level entity.
6. Budget for the project including the portion of the budget which will be funded by the City of Milton, if approved.
7. Organization Strategic Plan, if available.
8. W-9 and City Taxpayer Identification Form.
9. Any information that may assist in better understanding your organization and/or funding request.

DEFAULT

In addition to noncompliance with the above described conditions, default shall occur if one or more of the following takes place:

- The event/activity/project/program is cancelled without prior City approval.
- The event/activity/project/program is substantially changed from what is detailed in this application (budget, date, time, place, etc.) without prior City approval.
- The event/activity/project/program is transferred to another entity/organization not identified in this application.
- Failure to timely submit required reports.
- Any criminal conduct, indecency or obscenity, drunkenness, damage to Government property, being under the influence of narcotics or hallucinatory drugs on the part of the event organizers, their staff, vendors or volunteers. This clause does not apply to the general public and/or participants of the event, unless directly associated with the organizers.
- Failure to comply with the Terms and Conditions of this Application and the Funding Agreement.

If any of the above-referred activities occur prior to the event/project, the City may, in its sole and absolute discretion, choose not to release funds and render the Funding Agreement null and void. Should the above-referenced activities occur after the funds are released, the City may, in its sole and absolute discretion, require immediate repayment of funds to the City. Organizations that default are ineligible for future funding for a period of 5 years.

Agenda Item # 2023-2071

SEPA / OAFA: Milton Mardi Gras Parade and Party

MEETING DATE

December 12, 2023

PREPARED BY

Jay Conrad, Events Coordinator

BACKGROUND

This event is Milton's 6th annual Mardi Gras Parade, hosted by the Krewe of Airship Pirates. The event is scheduled to be a Stewart St. parade followed by an after party at Jernigan's Landing. The event is scheduled to take place on January 27th, with setup beginning at 9:00 AM on January 26th and teardown being completed by 9:00 AM on January 28th. This event regularly attracts thousands of attendees.

The event organizers have requested use of the following for this event:

- Jernigan's Landing (Riverside) - \$100
- Jernigan's Landing (Festival Area) - \$150
- Riverwalk (Entire) - \$250
- Portable Restroom - \$250
- City Stage (old) - \$350
- City Tent (40x40) - \$500
- Generator (Large) - \$250
- Power Distro (for Generator) - \$100
- Barricades - \$100
- Parade Package - \$1000
- Garbage Cans (10) - \$100
- Tables (10) - \$100
- Chairs (10 sets) - \$100

Total: \$3350

The Krewe of Airship Pirates has submitted an Outside Agency Funding Application for this event. They are asking for the City to waive the fees listed above. Additionally, they are asking the City to become a title sponsor for the parade via a cash sponsorship for \$4,000.00.

The total estimated cost to the City if this Outside Agency Funding Request is accepted is: \$7350.00

Additionally, the Airship Pirates are requesting that the following city ordinances be lifted in the Jernigan's Landing area on January 27th for the duration of the event.

- Open Container Ordinance (Section 6-27)

- Noise Ordinance (LDR Section III-5.16)
- Animal Control Ordinance (Section 4-37b)

One notable difference for the parade this year is that it will follow the same route as the Christmas parade instead of the Mardi Gras route we have used in previous years. The primary reason for this is that the taller floats will be able to stage at the community center and thus avoid the need for extensive tree trimming along Byrom St. and Raymond Hobbs St.

The parade will be staged at the Clyde Gracey Community Center and in the parking lot on Chuck Prince St. Floats will enter the staging area via Grace St. Floats will depart the staging area for James St. where the lineup will begin. The parade will turn south onto Stewart Street and head south until reaching Berryhill Rd. The parade will proceed east along Berryhill Rd. until reaching Willing St. Upon reaching Willing St., the parade will head south towards Jernigan's Landing.

SUMMARY

RECOMMENDATION

Outside Agency Funding Application

Outside Applicant funding by the City of Milton is intended to provide resources from the City to assist neighborhood, community, social and not-for-profit organizations in carrying out community activities. Resources are allocated to specific events/activities/projects/programs only. General operational funds and/or administrative costs not associated with the project/program are not eligible. All funded activities must take place within the city limits of the City of Milton and be must free and open to the public to attend. Explanation for events outside the city limits and/or not free and open to the public must be provided and may be approved on a case-by-case basis.

Resources provided by the City may include, but are not limited to the following: direct financial support, use of City property, use of City equipment, use of City staff or any combination thereof. The specific resources requested must be identified in this application. The Applicant is advised that the approval or disapproval of each application is at the sole discretion of the City of Milton and the information requested is used as a basis to evaluate the Applicant's project. Submission of an application does not create entitlement to funding or any other City resource. Funding in one year does not create an entitlement to funding in future years. The application shall be reviewed by the City for completeness and eligibility prior to any approvals. The City's discretion is absolute, and the City may, for example, waive any technical irregularity, award in-mass, partial fund, split fund, or reject any and all submittals. Additional post-award requirements above and beyond what is required in this application may be added by City Council at its sole discretion. For the purposes of this application, "funding", "resources" "support" or "award" means cash, goods and services or both and may be used interchangeably.

Explanation of Organization
(Who are you? What is your mission?)

Emerald Coast Krewe of Airship Pirates, INC has a mission to organize and sponsor charitable social events to promote civic, social, and charitable activities in and around the Florida and Alabama Gulf Coast.

Explanation of Event/Activity/Project/Program
(How does this event/program benefit the Citizens of the City of Milton? Include information of previous versions of this event. Number of participants previously and expected this year, etc.)

- This event will prove beneficial to eat-in restaurants/food establishments and general business
- Event will spotlight multiple city offerings and encourage future growth
- Our 4 year history of a successful event has proven that the citizens of the City of Milton as well as citizens of nearby communities, counties, and states support and anxiously await the annual event. The first year event consisted of simply a pre-parade line-up party designed for parade participants and those in the community that wanted to see the floats and parade entries up close and personal. In our 2nd year, we added a post-parade party that included a VIP area and live bands to entertain parade-goers after the parade. This was largely successful and business throughout the city & downtown area reported record-breaking profits for the day. In our 3rd year, we were challenged with the COVID-19 pandemic and the difficulty of ensuring a safe & healthy event for all attendees. We went above and beyond recommended protocols. Despite significant criticism & opposition, we were able to provide a safe and largely successful event with a reported number of “hundreds” of attendees. In our 4th year, we expanded to a 2-day festival-style event. Overall, the 2 day event was successful, however, cold weather discouraged many from attending Friday evening festivities.

Explanation of Funding Request
(What will the City pay for/provide and why?)

We are now an official 501c-3 organization, but with that being noted, our Krewe continues to depend on fundraising and sponsors throughout the community to provide the funding to allow us to perform the community service that we provide. We do not generate enough revenue via fundraising, nor do we expect our sponsors to fund an event for the community on the scale that the Mardi Gras Parade and Post-Parade Party require. Therefore, we are requesting additional funding from the City of Milton to be able to organize and provide the City with this traditional and annual family-friendly event. We are requesting the City assist us in providing the venue, electrical needs, restroom facilities, crowd control via street closures and barricades, and general support to ensure yet another successful and safe event for the community that will no doubt bring in an extraordinary amount of additional revenue for businesses and also provide a significant increase in tax dollars

Explanation of How Event/Activity/Project/Program Benefits
the City of Milton and its Citizens

Past history of this event has proven to increase revenue for city businesses by record-breaking amounts. Despite the challenge faced in 2021, several businesses reported that without the event that provided street traffic, that would have otherwise been non-existent, they generated much-needed revenue that was lost during COVID shut-downs. Being that the event extends into the evening hours, we are encouraging “heads in bed” concept and will definitely increase business for local businesses as well as encourage out-of-town guests that would otherwise never visit the City of Milton. We promote a family-friendly, safe event, and welcome citizens and guests of all ages to join us in the historic heritage of Mardi Gras. We encourage local businesses to get involved and participate to facilitate business promotion.

CONDITIONS OF FUNDING

By submitting this application, Applicant consents to the following conditions contained in this section. Failure to comply with any one of the below conditions is a default:

- ☐ Funded projects must provide a direct benefit to the businesses or citizens of the City.
- ☐ Services offered by the Applicant must not be restrictive with regard to race, sex, age, religion, disability, or any characteristics that would be prohibited by law.
- ☐ Funds may not be used for any purpose prohibited by law.
- ☐ Applicants requesting funding for the following services or activities will not be considered:
 - Endowments or debt reduction
 - Administrative services support
 - Annual fundraising or capital campaign
 - Political activities
 - Religious activities
 - Public agencies for mandated services
 - Scholarships or individual grants or awards
 - Private Foundations
- ☐ All awards are based on availability of funds. Awards may be provided until all funds are exhausted. If funds remain after the initial cycle, additional cycles later in the year may occur at the City's discretion. Based on available funds, some applications may be approved, while others may be only partially funded or receive no funding.

- ❑ The Applicant hereby agrees to allow the City of Milton to capture, own and use at their sole discretion, images, videos, recordings, and the like of the event/activity/program/project. The City shall use the Applicant's Logo, or other identifier approved by the Applicant in coordination with any City advertising for the event/project.
- ❑ The Applicant hereby agrees to use the City's, or any approved City Department's Logo in any/all advertising, marketing and promotion for the event/program to the same extent as the largest single sponsor, unless otherwise agreed upon in advance. If no sponsors are utilized, the City shall be recognized as the event/program sponsor. The Applicant shall consult with City Staff on any/all advertising, marketing and promotion prior to public release.
- ❑ The City is not responsible for any event/project organization or management. The organization submitting this application is totally responsible for any/all means and methods in carrying out the event/project.
- ❑ The Applicant shall, at all times while on City of Milton Property, conduct themselves in a professional, responsible manner and observe all rules and regulations set forth by the City of Milton. Funded events/programs shall be wholesome and adhere to the standards of good taste, as assessed by the City Council in reviewing all representations of the applicant about the conduct of the event. Material departure from the standards represented to and approved by Council may result in default.
- ❑ All vendors'/merchandise sold at an event must be of good taste, consistent with the values of Milton, Florida, as assessed by the City Council in reviewing all representations of the applicant about the conduct, services or merchandise to be sold. Material departure from the standards represented to and approved by Council may result in default.
- ❑ Funded events/programs shall not directly compete with City Brick and Mortar Businesses through use of outdoor, mobile vendors that provide the same goods/services as the primary good/service of the Brick and Mortar Business. An outdoor, mobile vendor must be a minimum distance of 250 feet or one city-block from a Brick and Mortar Business if providing the same primary good/service. An exception can be provided if a waiver is signed by the Brick and Mortar Business and provided to the City in advance of the event/program.
- ❑ Applicants must indemnify, save and hold harmless the City from and against any and all claims, demands, actions, debts, liabilities, and attorney's fees arising out of, claimed on account of, or in any manner predicated on loss of or damage to the property of, and injuries to or death of any and all persons whatsoever, in any manner alleged to be caused or contributed to by the Applicant, its agents, servants, volunteers or employees while carrying out the event/activity/program/project. From and on account of damages of any kind which they, or any of them, may suffer as a result of acts of the Applicant or any of the Applicant's agents, servants, volunteers or employees and from any workmen's compensation benefits which they, or any of them, become obligated to pay the Applicant, its agents, servants, volunteers or employees, and from any and all claims, demands, actions, debts, liabilities, and related costs which result from the event/activity/program/project carried out by the Applicant.
- ❑ Applicants must provide a Certificate of Insurance (COI), showing the City of Milton, FL as an additional insured, 10 days prior to the event/program date. Applicants may request to utilize the City's insurance for the event. However, such request must be approved by City Council.

- ❑ Applicants shall be and act as independent contractors, and under no circumstances shall any funding be construed as one of agency, legal partnership, or joint venture, or employment between the City and the Applicant. None of the personnel under contract to, employed by, or volunteering for the Applicant shall be deemed in any way to have any contractual relationship with the City whatsoever. The Applicant shall be solely responsible for the conduct of its employees, personnel, volunteers and agents in connection with their obligation hereunder.
- ❑ The City of Milton is not responsible for the safety, security or working condition of any equipment not owned by the City. Use, care and security of any and all City-owned equipment made available for use by the City, provided to and operated by the Applicant, shall be the sole responsibility of the Applicant. Please inspect all items carefully. Any City Equipment provided to the Applicant lost, damaged or destroyed shall be replaced/repared at the sole expense of the Applicant, unless such damage is sustained due to acts beyond the control of the Applicant as described below.
- ❑ Once the event/project has been completed, Applicant must submit a final report, including event attendance and a final financial expenditure report. If the event/project is ongoing, quarterly reports are required. Additional reporting requirements may be included by City Council at their sole discretion. Failure to submit required reports shall disqualify an organization from future requests.
- ❑ Applicants must demonstrate the financial capacity and ability to complete the event/project as described in this Application, including provision of a current balance reflecting sufficient available funds for completion of all portions of the project not funded by the City. The historical, organizational and financial information requested in this application demonstrate such capacity.
- ❑ This application contains the entire request from the Applicant. This application supersedes any and all prior agreements, arrangements, communications, or representations, whether oral or written. This application and associated event/activity may not be amended, altered, modified or changed except when approved in writing by the City.
- ❑ Applicants are encouraged, but not required, to meet with City Staff before submitting this application for a courtesy review. If funded, Applicants are required to meet with City Staff at Staff's request to review the event/program.
- ❑ If the event/project is postponed due to inclement weather, as acts of God, government restrictions, military operations and exercises, security alerts or unforeseen commercial delays or other similar conditions beyond the Applicant's control, it may be rescheduled for another time or cancelled altogether at the discretion of the City.

REQUIRED DOCUMENTATION **(If Applicable)**

Applicants requesting funding must complete this application and provide all other required documentation listed below (if applicable). Please note – if any item requested in this application is not applicable to an Applicant or the Applicant does not have any item, it does not automatically disqualify the Applicant from receiving funding. The items requested below are not intended to create any new demands for an Applicant. The information requested should reflect information that would be normally provided to a Board of Directors on a regular basis.

1. IRS letter with tax exemption ruling. Applicants should be qualified to receive tax-deductible contributions as defined by the IRS - generally a 501(c)(3) public charity tax status.
2. Current Board of Directors/Officers. If your organization is a local office, chapter, etc. of a larger entity (i.e. umbrella organization, governmental Applicant, etc.), please attach a list of Board of Directors/Officers of the next higher-level entity.
3. Copy of most recent independent audit, review and management letter, if applicable.
4. Articles of Incorporation and Bylaws.
5. Organization fiscal year budget and year to date financial statements for the current year, including a Statement of financial position (assets, liabilities and equity) and a Statement of activities (income and expenses), if available. Important note: If your Applicant is a local office, chapter, project, etc. of a larger entity (i.e. umbrella organization, governmental Applicant, etc.), please also include financials and budget of the next higher-level entity.
6. Budget for the project including the portion of the budget which will be funded by the City of Milton, if approved.
7. Organization Strategic Plan, if available.
8. W-9 and City Taxpayer Identification Form.
9. Any information that may assist in better understanding your organization and/or funding request.

DEFAULT

In addition to noncompliance with the above described conditions, default shall occur if one or more of the following takes place:

- The event/activity/project/program is cancelled without prior City approval.
- The event/activity/project/program is substantially changed from what is detailed in this application (budget, date, time, place, etc.) without prior City approval.
- The event/activity/project/program is transferred to another entity/organization not identified in this application.
- Failure to timely submit required reports.
- Any criminal conduct, indecency or obscenity, drunkenness, damage to Government property, being under the influence of narcotics or hallucinatory drugs on the part of the event organizers, their staff, vendors or volunteers. This clause does not apply to the general public and/or participants of the event, unless directly associated with the organizers.
- Failure to comply with the Terms and Conditions of this Application and the Funding Agreement.

If any of the above-referred activities occur prior to the event/project, the City may, in its sole and absolute discretion, choose not to release funds and render the Funding Agreement null and void. Should the above-referenced activities occur after the funds are released, the City may, in its sole and absolute discretion, require immediate repayment of funds to the City. Organizations that default are ineligible for future funding for a period of 5 years.

Agenda Item # 2023-2096

Residential Facade Improvement Grant Program Application - Brian McGuire

MEETING DATE

December 12, 2023

PREPARED BY

Tim Milstead, Planning Director

BACKGROUND

The City's current application window for the Residential Facade Improvement Grant Program opened on November 8th, and is open until February 9th. Staff has recently received a complete application from Mr. Brian McGuire for improvements to his home at 6810 Berryhill Street. This home is a contributing historic structure within the Milton Historic District.

SUMMARY

This grant, if approved, will allow the applicant to replace the roof on the applicant's garage, and to repaint the bottom skirt around the historic home, as well as three exterior doors. The applicant is requesting \$4,686 of grant money from the city to complete this project, and is proposing a nearly equal match of \$4,687. This project meets the qualifications of the grant program.

RECOMMENDATION

The Executive Committee voted unanimously to forward this item to the City Council for approval.

Customer Notes: - **THE FIVE STAR EXPERIENCE:** Our goal is high-quality results at a fair price, 100% customer satisfaction, and a 5-Star review on every job we deliver! We use only industry-leading paints and highly experienced professional painters to complete the work to your home. Our work is 100% guaranteed and we warranty our workmanship for up to 24 months.

- **LICENSED, BONDED, AND INSURED:** Five Star Painting is your safe choice because we are licensed in Escambia and Santa Rosa Counties, and carry \$1MM-\$2MM liability insurance coverage for your protection and piece of mind.

- **QUOTE:** Your final custom quote and statement of work is outlined below.

- **SCOPE OF WORK:** Surfaces to be painted, approach details, and statement of work is outlined below. We will need at least 2 feet of clearance between vegetation and/or exterior structures, and the surfaces to be painted, prior to the painting start date.

- **FAIR PRICING PHILOSOPHY:** This estimate is based on what we can visually inspect. If we find damage underneath the surface, we notify the Owner and use the Change Order process. We will provide a quote that includes labor and materials, for the Owner to consider. Pricing on this quote is based on the onsite manpower required to complete all of the tasks listed; if any tasks are excluded, pricing on the remaining tasks are likely to change.

- **PAINTS AND COVERAGE:** We use only high-quality and best-value paints by Sherwin Williams (or others brands at your direction). Our goal on every paint project is a full-coverage result to achieve a high quality, excellent hide, and a long-lasting result. We are able to achieve that result through a 1 or 2 coat application process depending on the surfaces being painted, colors selected, coatings used, and application techniques.

- **COLORS:** Final selection of colors and finish is the responsibility of the homeowner. Need help choosing colors? Click here: <https://fivestarpainting.decorist.com/>

- **PAINTING CREW:** An experienced Five Star Painting Crew will be assigned to your project when the scope is finalized and your job is scheduled.

- **PAYMENT TERMS:** Project will be scheduled with a 1/3 down payment. Final Payment is due on the day the job is complete. Progress payments will be requested for jobs lasting longer than 4 days. A 2.5% processing fee will be added to payments made with a credit or debit card.

- **OUR LOWEST PRICE GUARANTEE:** We will meet our competitor's price or gladly refund your deposit provided same scope of work, comparable paints, proof of licensing, and General Liability Insurance.

Not Included: This quote excludes:

- Painting any surface not listed in this quote.
 - Moving services; we ask our customers to move exterior furniture, TVs, stereo systems, computers and any breakable items off or away from the surfaces to be painted, prior to the arrival of our painting crew. Five Star Painting is not responsible for any moving damage of such items.
 - Carpentry and replacement materials. If needed, one of our renovator crews can provide a separate quote for repairs. Their pricing is always reasonable, and we don't mark that up.
- A warranty on paint that was not supplied by Five Star Painting. We guarantee the results only on paint that we supply.

UDC Update - Residential Transparency Standards

MEETING DATE

December 12, 2023

PREPARED BY

Tim Milstead, Planning Director

BACKGROUND

After the completion of the city's UDC update a few months ago, staff has encountered issues with one section of code pertaining to residential transparency standards. This section addresses the percentage in which the facade of a residential home must be covered by windows or other transparent material if the facade faces a public street. Staff subsequently forwarded this proposed language change to the Milton Planning Board for review in November.

SUMMARY

The City's current standard mandates that at least 25% of all residential home facades that face a public street must be transparent. Staff is proposing that this requirement be reduced to 15% to meet the intent of the language change in the UDC. The Milton Planning Board reviewed this item, and unanimously recommends that additional language be added to include entry doors into the transparency calculation. This change will support the city's intent of prohibiting blank walls along city streets, and will still promote the aesthetic appearance of homes and neighborhoods. This change will also allow more flexibility for the homeowner in the design of their home. The proposed ordinance is attached for first reading.

RECOMMENDATION

The Executive Committee voted unanimously to approve this language change.

Ordinance 1994-23 Local Historic Resource addition to UDC - Sections 11.4 & 11.5 - First Reading

MEETING DATE

December 12, 2023

PREPARED BY

Tim Milstead, Planning Director

BACKGROUND

The Historic Preservation Board has evaluated for many months earlier in the year a set of proposed UDC amendments in sections 11.4 and 11.5 that create a process for establishing local historic resources. Local historic resources are any building, property or artifact that may contain historic value in the community and have their own story that is independent from the nationally recognized Milton Historic District. The language proposed would establish a review process by which these historic resources could be evaluated and approved by the Historic Preservation Board and the City Council.

SUMMARY

In order for a resource to be evaluated for consideration, an application must be submitted by the property owner where the resource is located. Upon property owner authorization, these resources could be reviewed by the Historic Preservation Board and the City Council using an established set of criteria to determine if designation is appropriate, and also would be reviewed through the public hearing process established in the proposed language addition. The public comments received by staff about this proposed ordinance can be found at the following link: <https://www.miltonfl.org/DocumentCenter/View/5078/UDC-Update-Public-Comments-as-of-July-18-2023?bidId=>

After approval in November, the final ordinance has been attached for first reading.

RECOMMENDATION

The City Council voted 5-2 on November 7th for approval of this item.

ORDINANCE 1994-23

ATTACHMENT A

11.4 HISTORICAL RESOURCE PROTECTION

A. **Intent.** The intent of this section shall be to:

- (1) Establish a historic preservation board;
- (2) Identify regulated historic structures;
- (3) Set forth requirements for the protection and preservation of regulated structures;
- (4) Define a process for review and appeals; and
- (5) Encourage the listing of additional properties as contributing historic structures.

(6) Authorize the historic preservation board to certify local designation of individual properties (including buildings, structures, sites and objects) as historically significant using the criteria established in Article 11.5 with property owner consent only.

11.5 HISTORICAL AND ARCHAEOLOGICAL RESOURCE PROTECTION

A. **Intent.** It is the intent of this section to provide for the protection of historical and archaeologically significant local sites and resources within the city's jurisdiction. , independent of the Milton Historic District. It is hereby declared that the protection, enhancement and preservation of properties, structures, artifacts, documents, memorabilia, and other physical assets of historical, archaeological, architectural, and/or cultural significance are in the interest of the public health, safety and general welfare of the residents of and visitors to the city. Therefore, this division is intended to:

- (1) Effect and accomplish the protection, enhancement, and preservation and study of archaeological sites, properties, structures, improvements, landscape features, artifacts, and other physical assets located within the city which represent distinctive elements of the town's prehistoric, historic, architectural, and/or social character;
- (2) Safeguard the city's history, heritage, and unique attributes;
- (3) Foster civic pride and respect for the accomplishments of the past; and
- (4) Protect and enhance the city's attraction of visitors and support and stimulate the economy from increased tourism.

B. Local Historic site/resource designation procedures.

(1) Purpose and intent. This section provides mechanisms to promote historic preservation in the city by the designation of local historic resources or individual sites, and by the regulation of construction and demolition at local historic sites independent from the Milton Historic District.

(2) Criteria. To qualify as a designated local historic resource or site, the proposed site shall meet one or more of the following criteria:

- a. Is associated in a significant way with the life or activities of a major person important in Milton, Santa Rosa County, Florida or national history;
- b. Is associated with an historic event with significant effect upon the city, county, state or nation;
- c. Is associated in a significant way with a major historic event whether cultural, economic, military or political;
- d. Exemplifies the historic, political, cultural or economic trends of the community history;
- e. Is associated in a significant way with a past or continuing institution which has contributed to the life of the city;
- f. Portrays the environment in an era of history characterized by one or more distinctive architectural styles;
- g. Embodies those distinguishing characteristics of an architectural style, period or method of construction;
- h. Is an historic or outstanding work of a prominent architect, designer, landscape architect, or builder; or
- i. Contains elements of design, detail, material, or craftsmanship of outstanding quality or which represents, in its time, a significant innovation or adaptation to the Northwest Florida environment.

(2) A building, structure, or site, will be deemed to have historic significance if, in addition to, or in the place of previously mentioned criteria, the building, structure, or site meets the historic development standards as defined by and listed in the regulations of and criteria for the National Register of Historic Places.

(3) Properties not generally considered eligible for designation include cemeteries, birthplaces or graves of historic figures, properties owned by religious institutions or used for religious purposes, structures that have been moved from their original locations, buildings or sites primarily commemorative in nature, reconstructed historic buildings, and properties that have achieved significance less than 50 years prior to the date the property is proposed for designation. However, such properties will qualify if they fall within one or more of the following categories:

- a. A religious property deriving primary significance from architectural or artistic distinction of historic importance.
- b. A building or structure removed from its location but which is primarily significant for architectural value, or is the surviving structure most importantly associated with an historic event or person.
- c. A birthplace or grave of an historic figure of outstanding importance if there is no other appropriate site or building directly associated with his productive life.
- d. A cemetery which derives its primary significance from graves of persons of transcendent importance, from age, distinctive design features, or from association with historic events.
- e. A property primarily commemorative in nature if design, age, tradition or symbolic value have invested it with its own historic significance.
- f. A building, structure, site or district achieving significance less than 50 years from the date it is proposed for designation if it is of exceptional historic importance.

C. Application for historic site/resource designation.

(1) Applications for historic or archaeological site status for privately-owned property may be initiated by only the property owner of a site. Application for historic or archaeological site status for public property may be initiated by the applicable property owner only.

(2) By resolution of the city council, a fee shall be established and may be amended to cover the city's actual costs of reviewing and processing applications for historic designation. In addition, an application may require that funds be deposited in an escrow account to cover fees for consultants which may be hired by the department when needed to evaluate the eligibility of a property.

(3) Upon receipt of an application, the department shall conduct a preliminary evaluation of the application to determine whether or not the department has sufficient information to process the application and shall send a copy of the application by certified mail to the property owners of record. The department shall make the determination that an application is sufficient within 15 days working days of receipt of an application. If the application is not sufficient to process, the department shall specify what additional information is necessary.

(4) When an application is sufficient, the department shall prepare a designation report for consideration by the Historic Preservation Board which shall contain the following information:

- a. Proposed legal boundaries of the local historic resource or archaeological site;
- b. An analysis of the historic or archaeological significance of the nominated property;
- c. For those public buildings which have public access, an analysis of interiors with features of exceptional architectural, aesthetic, artistic or historic significance;
- d. Any proposed specific land development regulations;
- e. Any conditions beyond the standards contained in the Unified Development Code or conditions based on the development standards for historic sites.

D. Public hearings required for local historic site/resource designation.

(1) After the department prepares the designation report, the board shall conduct a public hearing to evaluate and receive comments regarding the application. For each proposed designation of an individual site, and except as otherwise provided herein, the board is required to obtain the approval of the owner of the property proposed for designation, by providing information on the benefits of designation.

(2) The department shall, by certified mail at least 15 calendar days prior to the public hearing, mail a copy of the designation report and a notice of public hearing to the property owner of record as determined by the most current Santa Rosa County property tax rolls then available. Refusal to accept this notice of public hearing shall not invalidate the hearing. Notice shall also be provided by publishing a copy thereof on on the Santa Rosa County website or in a newspaper of general circulation within the city at least ten calendar days prior to the date of the hearing. All interested parties shall be given an opportunity to be heard at the public hearing.

(3) Upon the mailing of the designation report to the property owners, the city shall cease issuing permits for any new construction, alteration, relocation or demolition of the property which is the subject of a proposed designation. No permits shall be issued by the city until after the city council approves or denies the nomination for historic site status, or the application is withdrawn by the person or entity who has initiated the application.

(4) After the close of the public hearing, but no later than 45 calendar days following the close of the public hearing, the Historic Preservation Board shall vote at a public hearing and make its recommendation to the city council on the designation.

(5) The city council shall thereafter hold a public hearing following the same notice requirements set forth in subsection (d)(2) of this section.

(6) At its public hearing, the city council shall consider the application, all relevant support materials, the designation report, the recommendations of the Historic Preservation Board and the criteria for designation, and may, at the conclusion of the hearing, adopt a resolution approving, approving with conditions, or denying the historic site designation. For property not owned by a governmental entity, a supermajority vote of the city council is required for designation. For single-family homes, the approval of the property owner is required for designation.

(7) Amendment or rescission. The city may amend or rescind any designation provided it complies with the same notice and public hearing requirements and other procedures used in approving the original designation.

- E. **Requirement for construction activity.** In the event that a proposed development plan has been identified by the Planning and Development Department to be in the vicinity of an archaeologically significant site, the department shall require the owner to alert construction personnel in regards to this information. If at any time, a potentially significant archaeological site or artifact is uncovered during the development process, the owner shall notify the city. The city shall contact and consult with the University of West Florida, Office of Cultural and Archaeological Research and/or other appropriate state officials to determine the significance of the resource and identify the need for mitigation measures.

Agenda Item # 2023-2102

Ordinance 1995-23 - Residential Transparency Standards - First Reading

MEETING DATE

December 12, 2023

PREPARED BY

Tim Milstead, Planning Director

BACKGROUND

After the completion of the city's UDC update a few months ago, staff has encountered issues with one section of code pertaining to residential transparency standards. This section addresses the percentage in which the facade of a residential home must be covered by windows or other transparent material if the facade faces a public street. Staff subsequently forwarded this proposed language change to the Milton Planning Board for review in November.

SUMMARY

The City's current standard mandates that at least 25% of all residential home facades that face a public street must be transparent. Staff is proposing that this requirement be reduced to 15% to meet the intent of the language change in the UDC. The Milton Planning Board reviewed this item, and unanimously recommends that additional language be added to include entry doors into the transparency calculation. This change will support the city's intent of prohibiting blank walls along city streets, and will still promote the aesthetic appearance of homes and neighborhoods. This change will also allow more flexibility for the homeowner in the design of their home. The proposed ordinance is attached for first reading.

RECOMMENDATION

The Executive Committee voted unanimously to approve this language change.

AN ORDINANCE AMENDING SECTION 6.2 OF THE UNIFIED DEVELOPMENT CODE OF THE CITY OF MILTON, MODIFYING LANGUAGE THAT PROVIDES FOR RESIDENTIAL FAÇADE TRANSPARENCY STANDARDS; PROVIDING FOR SEVERABILITY; REPEALING ALL ORDINANCES IN CONFLICT HERewith AND PROVIDING FOR AN EFFECTIVE DATE.

NOW THEREFORE BE IT ORDAINED BY THE City Council of the City of Milton, Florida as follows:

Section 1: Unified Development Code Amendment.

The City of Milton Unified Development Code Section 6.2 (E) is hereby amended as set forth below, and incorporated herein by reference.

E. Design Standards for Residential Districts.

(1) General Architectural Standards, Building Materials, and Façade Features. The following residential design standards apply to new construction, substantial remodeling and repair or rehabilitation meant to remedy damage or deterioration of the exterior façade of an existing structure, and additions to existing structures.

a. Exterior design and façade features, rooflines, massing, window and treatment types, and materials shall be compatible with the existing character of the surrounding residences.

b. Exterior entrances from a public sidewalk or common open space are permitted for apartment or condominium units on the ground floor. These entrances shall be raised from the finished ground floor level of the sidewalk and shall appear to be designed as townhouses.

c. All exterior walls, including parking structures, garages, and accessory structures shall be constructed of materials commonly used for residential structures in Santa Rosa County historically.

d. No blank walls shall front public streets.

e. A minimum of two distinct building materials from the approved list as provided in Subsection 2.2(B) must be utilized on all façades to provide architectural detail and interest.

f. The architectural features, materials, and the articulation of the building's façade shall be continued on all sides visible from a public street.

g. The front façade of the principle building on any lot shall face onto a public or private street.

h. Any building (excluding parking garages and other accessory building) viewed from a public right-of-way or public open space shall either face such right-of-way or open space, or shall have a façade facing such area in keeping with the character of the front façade, including the utilization of window design and materials.

i. Front and street sides of buildings visible from the public right-of-way shall include changes in relief such as columns, cornices, bases, fenestration, and fluted masonry. The top floor of any building shall contain a distinctive finish, consisting of a cornice, banding or other architectural termination.

j. An expression line shall delineate divisions between floors of all buildings, and a cornice shall delineate the tops of façades for non-single-family buildings that do not utilize a pitched roof.

k. All walls facing public streets shall have at least ~~25%~~15% transparency.

Windows and entry doors shall be counted towards the minimum transparency standard.

Section 2: Severability.

If any provision or portion of this ordinance is declared by any court of competent jurisdiction to be void, unconstitutional, or unenforceable, then all remaining provisions and portions of this Ordinance and the City of Milton's Unified Development Code shall remain in full force and effect.

Section 3: Repealer.

All ordinances and parts of ordinances in conflict with this ordinance are hereby repealed.

Section 4: Effective Date.

This Ordinance shall be effective upon passage by the City Council.

Negotiation for RFP 2023.10 Engineer Services for Locklin Lake

MEETING DATE

December 12, 2023

PREPARED BY

Diane Ebentheuer, Purchasing
Agent/Risk Manager, Joe Cook,
Public Works Director

BACKGROUND

The City solicited proposals for Engineering Services for Locklin Lake.

SUMMARY

Council awarded to First Line Coastal on July 11, 2023. A conditional contract was entered into and negotiations began. The committee met multiple times with First Line Coastal.

The City reached an agreement with the Engineering Firm, First Line Coastal.

RECOMMENDATION

**RE: Locklin Lake Dredging - RFP # 2023-10
Engineering Services Proposal**

Ms. Ebentheuer,

Below, please find our proposed scope of services to perform work under the referenced project for the Locklin Lake Dredging Project.

Project Overview

Locklin Lake lies at the heart of the City of Milton and functionally serves as a sediment trap and polishing pond for approximately 3,000 acres of stormwater runoff prior to final discharge into Collins Mill creek and eventually the Blackwater River, an Outstanding Florida Waterway (OFW). The lake was originally formed by the construction of the Jernigan Mill and served as the focal point of town development for many years. The lake eventually transitioned into a recreational asset and is now bordered by residences.

Infrastructure build-out within its watershed has led to documented annual sedimentation rates. Deposition rates have been punctuated by several events related to nearby construction activities such as the expansion of Dogwood Drive. The importance of the project is the protection that it provides to Blackwater River. Locklin Lake is the last sediment basin prior to discharge to the river (BDI report 2017). With current sediment levels accumulating, dredging of the lake will restore the lake's ability to buffer Blackwater River by trapping and retaining sediment and the pollutants that it carries. Soils which have washed into Locklin Lake have reduced the water depth and increased nutrient levels. At present-day, Locklin Lake is a shallow pond with limited stormwater and sedimentation capacity. Much of the lake has been consumed with vegetation (both native and invasive). The functionality of Locklin Lake has been severely deteriorated by the sedimentation, and the City of Milton has determined that removal of this sediment is a critical component within the town's Stormwater Management Plan.

The City procured grant funding to assist with design and construction of the project. State appropriation LPA0194 provides for up to \$500,000 of funding for this project with a 20% match requirement by the City. A second appropriation in the same amount is reportedly available for the project. A multi-phased approach is proposed to define the a scope of work. The phased approach allows for incremental adjustment to project strategies that will optimize a project to meet stated goals and objectives. The proposed scope aims to capitalize on previous work completed by others and accommodate flexibility as final decisions are made concerning particular project parameters. The approach includes the identification of an economically efficient construction methodology to reduce overall project expense and impact to the residents surrounding the neighborhood.

A significant amount of work was conducted on Locklin Lake and surrounding areas including a permit which resulted in the removal of the existing dam and construction of the present earthen dam, though the latest planning document is from 2017 and is not consistent with prior documents. While valuable for planning, the present condition will need to be evaluated and will be required to develop a final basis of design, for permitting and development of construction documents. Historical information and previous data will be used wherever appropriate.

Phase 1 - Conceptual design, physical survey, and preliminary environmental review suitable for alternative selection based on gathered data and client needs. Alternatives will be provided to the city with a facilitated discussion to build consensus on the basis of design. This effort will result in a basis of design and planning level cost estimate which will inform the phase 2 work.

Phase 2 - After a consensus has been established for the basis of design, draft final design documents based on additional physical and environmental surveys as recommended from the phase 1 work and permitting considerations performed. A set of permit documents will be developed for submittal to FDEP and the NFWFMD. An “Issued For Construction” set of plans and specifications will be developed.

Phase 3 - Will include construction administration and oversight through completion.

We are proposing to commence work on Phase 1 only at this time. Phase 2 and 3 scopes of work will be developed as a result of the phase 1 effort and an addendum to the consultant contract will be developed for each phase. Phase 2 and phase 3 work will be assigned based on available funding and agreement from the City and Consultants.

Phase 1: Data Collection & Basis of Design

The primary objective of Phase 1 is to perform a pre-design study of the project, evaluating physical and ecological conditions of the lake, and determining a consensus derived course of action for restoration of Locklin Lake. Work will require collection of physical and ecological data, coordination with permitting agencies, and concept designs to depict options for dredging including material excavation strategies, transport, and final placement. A basis of design document will be generated based on findings from this phase of work.

Task 1.1 – Data Collection:

Data collection is required to gather information on the present conditions at the site, the nature of the material to be dredged, and the environmental resources in the vicinity of the project. A desktop evaluation will be performed to assess existing information and identify data gaps. Field data collection plans will be developed and executed to collect the data needed to facilitate initial agency discussions and contribute to conceptual dredging plans and alternative selection.

Desktop Review: The initial project assessment will begin with a desktop evaluation of historical project documents, aerial imagery, cultural resources, and protected habitat data. A preliminary query on subsurface utilities through discussions with City Public works and other providers. SHPO discussions will be conducted to determine the potential for additional requirements. Publicly available records on property ownership limits and existing rights-of-way within the proposed

work area will be incorporated into the base maps. Surveys of individual parcels are not included in this phase, as they may not be needed for the work.

Hydrographic Survey: Collect topographic and bathymetric survey data within the work area. We estimated that a three-day survey event with a two-person crew will be sufficient to generate a Digital terrain Model (DTM) of the project area. The resulting DTM will provide baseline conditions for future design efforts including template establishment and volume computation.

Shoreline Stability Assessment: Conduct a visual assessment of shoreline conditions surrounding the lake. Each stretch of shoreline will be categorized, graded for existing stability, and evaluated for its apparent contribution to sedimentation within the lake. The results of this assessment will inform the need for, and design of, future shoreline stabilization recommendations. This work will also inform the design team on the limits of dredging excavation versus limits of work to be performed by residents, as well as potential right of entry requirements.

Investigatory Environmental Assessment: A review of high-resolution aerial photography will be conducted to inform annual and seasonal changes in aquatic vegetation. A two-day initial field assessment will be conducted by a two-person environmental team. The results will be reviewed with regulatory agencies during pre-application meetings and will aid to detail a final mapping effort that may be required in future phases of work. As the precise details of a future effort can vary widely, they will be determined in consultation with the appropriate agencies and detailed for performance in Phase 2 of the project. The environmental surveys will assess general areas of invasive species vs indigenous species and provide an initial assessment for discussions on removal, development of preliminary littoral shelf recommendations, and other potential environmental enhancement components of the project for consideration and inclusion into the basis of design.

Sediment Grab Samples: Grab samples of lake sediments will be obtained for preliminary visual classification. The results of the effort will be compared with historical geotechnical studies performed at the site and utilized to inform discussion with agencies. Depending on material composition and selected dredged material placement strategy, a more robust geotechnical sampling plan may be required, which could include multiple cores and testing for physical and chemical properties. The eventual full testing requirements will be determined in consultation with the appropriate agencies and detailed for performance in Phase 2.

Correspondence with property owners: Except for the city easement to the dam, the lake is generally surrounded by private property. During this phase we will begin right of entry correspondence with key property owner to allow for efficient use and storage of materials as needed.

Deliverables: The deliverables associated with Task 1.1 include those items noted in each scope description above. Data sets will be processed and spatially oriented within an industry-standard format (CAD, GIS, Hypack). A project memorandum briefly describing the relevant details of work performed will accompany a project file for the data sets.

Task 1.2 – Initial Agency Coordination:

The task will afford opportunity for agency coordination with the FDEP, NFWFMD, and SHPO early in the process. The work will allow for assessment of the potential environmental benefits and impacts of the proposed project. The resulting discussions will aid in decision-making for minimum project requirements and inform potential final project design elements including schedule and budget.

Initial Consultation: Host an initial consultation meeting with the appropriate agencies for the purpose of project introduction. Project history and preliminary review of information gathered in the desktop review will be shared. Conceptual project alternatives will be discussed with feedback sought. Consensus will be sought in planning for the investigatory data collection efforts.

Pre – Application Meeting: Conduct a pre-application meeting after completion of the conceptual project plans in Task 1.3. The meeting will review results from data collection efforts and assess regulatory feasibility of the proposed project elements. A permitting plan will be developed in consultation with the responding agencies, to include the requirement of any future data collection efforts.

Deliverables: Meeting notes from agency meetings will be distributed to the project team. Work plans for future environmental survey and soil chemistry analysis (Phase 2) will be produced. An internal memorandum addressing permitting strategy will be distributed to the project team.

Task 1.3 – Conceptual Design:

Conceptual engineering design will include the development of proposed alternate elements that may be incorporated in the design. This preliminary work will be coordinated with City staff to elicit comments prior to alternatives development and with the benefit of from physical data collection, ecological investigations and permitting communications. Focus will be placed on identifying value-added elements to the design which increase project performance and affect cost and schedule, especially as these elements may relate to local knowledge and practice.

Conceptual engineering design: A set of design templates will be generated and preliminary calculations regarding material to be removed along with a narrative discussing the value of the various templates. These templates will be generated based on permitting and local input as well as natural contours inferred from our analyses.

A set of conceptual options for construction alternatives including value and constraints of each construction scenario. We anticipate two to three concepts total, which will include both a terrestrial (dry) and a floating (wet) plant excavation option. A suitable material staging, handling and transportation plan will be developed for each. Material placement strategies will be evaluated, including beneficial use alternatives and landfill disposal. Rough Order of Magnitude costs (ROM) will be developed for each concept.

Once concepts are complete a final project plan will be selected for development. We will visit with city staff and leadership to facilitate a discussion towards the consensus design template and

methodology for construction, recognizing that options provided to a contractor can trigger potential efficiencies from one contractor to another.

Basis of Design Document: A final basis of design document will present the proposed project objectives, particulars, and design requirements. The document will include a ROM cost evaluation and schedule for construction. The document will also update the proposed scope of work for Phases 2 and 3 of the projects. The basis of the design document will serve as a functional tool to facilitate ongoing agency coordination, grant management, and decision-making tool for City to direct continuance of the overall project.

Deliverables: Basis of Design document which summarizes the work completed in Phase 1, presents the selected conceptual design and design parameters, presents permitting criteria and considerations, discusses ROM costs, and updates schedule for the selected project.

Project Schedule

We are proposing to proceed with Phase 1 only at this time. While the work described above for Phases 2 and 3 will ultimately be required, the specific details of each have not determined. Deliverables from phase 1 will inform phase 2 and 3.

- Stormwater design and water quality analysis are not included in this scope. We can assist with stormwater management and water quality assessment and design through an addendum to this contract.
- Grant writing is not included in this scope of work however the outcomes can be used to generate additional funding. First Line Coastal can assist with an addendum to this contract.

An overall estimated project schedule is presented in the table below. Updates to the project schedule will be submitted with each request for payment.

Agenda Item # 2023-2095
TASER purchase

MEETING DATE

December 12, 2023

PREPARED BY

Tony Tindell, Police Chief

BACKGROUND

The Police Department is planning to purchase 21 TASER 7s. The officers have been using TASER models M26 and X26 since 2005. The M26 model was discontinued and we converted to the X26 model. The X26 model has been discontinued and we have been able to purchase refurbished ones during the past several years. Now the refurbished X26 is no longer available and TASER no longer provides technical support for this model. We are beginning to experience TASER failures and product malfunctions. There are a few new models available, but the TASER 7 model being requested is the one that meets the needs of the Police Department. During the previous 4 years, officers were required to activate their TASER 6 times. There are multiple events where the Officer simply displayed the TASER and the subjects complied with the Officer's instruction. The TASER is a valuable tool when attempting to get a suspect to comply as directed. Peaceful compliance by the suspect greatly reduces the possibility of injuries to the suspect or the officers.

SUMMARY

The TASER X26 model that is currently being used by the Milton Police Department is no longer produced or supported by the manufacturer, Axon Enterprise, Inc. This is a request to purchase 21 TASER 7 models at the cost of \$59,650.50. This is an approved budgeted item. Axon Enterprise, Inc. is a sole source provider of the TASER 7.

RECOMMENDATION

Staff recommends approval to purchase the TASERs as quoted at \$59,650.50. Axon Enterprise, Inc. is a sole source provider of the TASER7. This purchase is an approved budget expenditure.

Standard Terms and Conditions

Axon Enterprise Inc. Sales Terms and Conditions

Axon Master Services and Purchasing Agreement:

This Quote is limited to and conditional upon your acceptance of the provisions set forth herein and Axon's Master Services and Purchasing Agreement (posted at www.axon.com/legal/sales-terms-and-conditions), as well as the attached Statement of Work (SOW) for Axon Fleet and/or Axon Interview Room purchase, if applicable. In the event you and Axon have entered into a prior agreement to govern all future purchases, that agreement shall govern to the extent it includes the products and services being purchased and does not conflict with the Axon Customer Experience Improvement Program Appendix as described below.

ACEIP:

The Axon Customer Experience Improvement Program Appendix, which includes the sharing of de-identified segments of Agency Content with Axon to develop new products and improve your product experience (posted at www.axon.com/legal/sales-terms-and-conditions), is incorporated herein by reference. By signing below, you agree to the terms of the Axon Customer Experience Improvement Program.

Acceptance of Terms:

Any purchase order issued in response to this Quote is subject solely to the above referenced terms and conditions. By signing below, you represent that you are lawfully able to enter into contracts. If you are signing on behalf of an entity (including but not limited to the company, municipality, or government agency for whom you work), you represent to Axon that you have legal authority to bind that entity. If you do not have this authority, please do not sign this Quote.
